

Discover the ease of cloud-based classroom management

From the inventors of classroom management software, LanSchool Air was designed, with educators, for the connected classroom.

Why LanSchool Air

Setup has never been so simple! Google Classroom™ integration allows your courses and students to sync from the moment you log in, helping you:

MINIMIZE
digital distractions

INCREASE
classroom efficiency

MONITOR
student progress

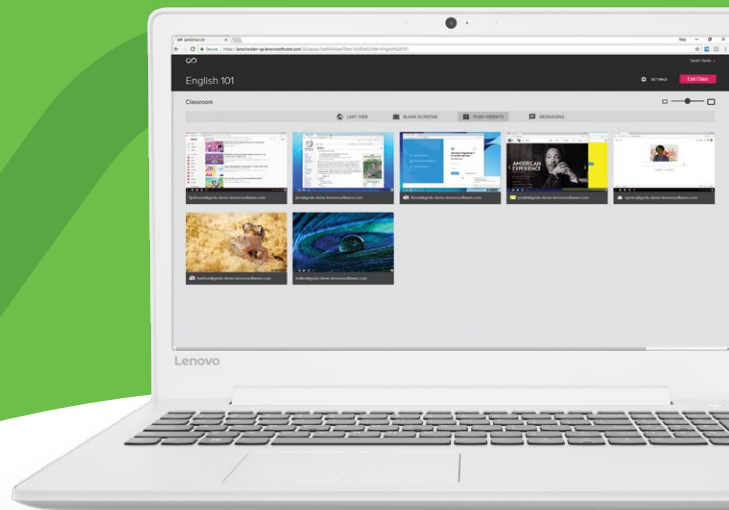

MAXIMIZE
the benefits of technology

LANSCHOOL AIR™

Classroom Orchestration Simplified

Whether for a single classroom or an entire district, LanSchool Air allows educators to manage various learning activities through one simple, easy-to-use platform. Setup only takes minutes and updates are automatic.

LanSchool Air Features

LanSchool Air's features make it easy to track progress, redirect focus and assist individuals at every skill level so **students are better equipped to learn on their own.**

- ✓ Google Classroom™ Integration
- ✓ Thumbnail & full screen monitoring
- ✓ Blank Screen
- ✓ Limit Web
- ✓ Push Website
- ✓ Messaging
- ✓ Snapshot
- ✓ Battery Status

If a student veers off, LanSchool Air makes it easy for the teacher to refocus their attention without distracting the entire class. That time can add up in a class of 25 students.

Nicholas Savoie, Director of Technology, Montville Public Schools
